GERARD PUCHE BONJORN

LinkedIn | gerardpuchebonjorn@berkeley.edu

I love to have fun with puzzles, intellectually curious, creative and challenging problems/ideas. I enjoy music, skiing and reading.

EDUCATION

UNIVERSITY OF CALIFORNIA, BERKELEY **Berkeley, CA, U.S.**
Visiting Student *Aug 2026 - Dec 2026*

- At the maths department taking several analysis courses (complex, numerical & Fourier analysis)

UNIVERSITAT POMPEU FABRA (UPF) **Barcelona, Spain**
BSc in Mathematical Engineering and Data Science *Sep 2025 - June 2029*

- GPA: 9.01 | Entrance Scholarship | Fully in English | #1st University in Spain (THE 2022)
- Highest Honours: Discrete Mathematics: 10/10 - 1st/242, Introduction to ICT: 9.7/10 - 1st/160, Python Programming, Data Structures & Algorithms II: 9.8/10 - 1st/60, etc. (+25% of courses passed with Honours)
- Board Member at E-Hub, the biggest engineering society in Barcelona, run by UPF

PROFESSIONAL EXPERIENCE

Ioannidis Lab — Stanford / UC Santa Cruz **Hybrid, Remote / CA, U.S.**
Research Assistant (supervisors: Margarita Geleta & Alexander G. Ioannidis) *June 2026 – Present*

- Core contributor to PCLAI, a deep learning pipeline for local ancestry inference predicting continuous geographic coordinates from genomic data. Identified model bias and prepared re-training
- Preprint | Github Repo

Marlex Great People **Barcelona, Spain**
Analyst | Data and Process Optimisation *June 2024 - Aug 2025*

- Implemented models and graphics for large financial datasets handled with SQL
- Developed a mathematical model to evaluate the +60 offices across Spain on a monthly basis.
- Joined at 17, after finishing high school

Competitions and Projects

- IMC Prosperity 4 algorithmic trading competition — 1st in Spain, 29th worldwide (out of 18,000, 0.16%)
- EuroDefense Hackathon (Warsaw) — Drone detection pipeline based on radio signals, using convolutional neural networks (CNNs). Sponsored by EDTH to attend the event
- G-Research Quant Challenge — Pair trading with ADF and OLS.

Languages and Tech Stack

- Python, C & Matlab
- Catalan (native), Spanish (native), English (native)
